Hear The Stars of Tomorrow Today!

Live performances by the stars of the 70's, presented by record company greats, like Capitol, MGM-Verve and Warner Brothers Seven Arts. The big names of tomorrow, performing on our fabulous "helistage". The youngest, freshest talent around—all presented in person. See how tomorrow's music-makers do their thing. Special Feature: The Violation—one of the best new groups in Los Angeles. Appearing daily!

Fabulous Treats For Your Ears!

Hear music, music, music from an over 80-room collection of the world's newest, most advanced stereo high fidelity components. The only way to hear today's music today—and tomorrow's music tomorrow! Something for every taste. A stereo system for every budget. Big systems, little systems. Plus experts from manufacturers to answer all your hi fi questions.

Attend Our College of Hi Fi.

In session during the whole show! Our College of Hi Fi where you can learn about component stereo high fidelity—how it works and why it's better. Listen to top authorities in the field speak their minds.

See The Latest Word in Hi Fi Gear!

Never before such an array of amplifiers, tuners, record changers, tape recorders, cassette equipment, speakers, turntables, microphones, accessories—everything for everyone interested in music. All displayed by our exhibitors: The People Who Are Making It All Happen. (See list)
